Teaching digital competencies to low-skilled or low-qualified senior citizens through analogies.

Wow! Two years have passed with our beloved seniors. In fact, Tea4Seniors has involved educational centres and seniors to acquire basic digital skills in a unique gamified environment!

Here you are the project results!

O1: a research document on digital education for seniors in Europe, France, Italy, Spain, Romania, Cyprus and Poland!

O2: educational material for trainers to deliver classes for seniors. You will find lots of inspiring and comprehensive material!

O3: open badges to gamify the learning process of seniors! Each badge will be issued per each level of accomplishment. Will you be able to catch them all?

O4: a beautiful and very-easy-to-access platform. We have made up interactive games that will be very appreciated by our beloved seniors ;)

O5: a full methodology with important tips on digital education for seniors. How to deliver classes? How to become closer with learners? Find out the questions on our booklet!

What? Have you missed our multiplier events? Check our blog!

Due to covid, we have suspended our transnational meetings and local work. We believe that seniors require extra care during this period! So this is a message also to THANK YOU for making this world a safe place for seniors :)
